CITY ATTY. HOFFMANN RESIGNS LOCAL MAN APPOINTED TO POST

Frank B. Blum Is Appointed As New City Attorney

The resignation of F. E. Hoffmann of San Mateo as Daly City's city attorney, effective May 1, was accepted by the city council Monday night. Hoffmann vacated the position due to the fact that the distance to his office from Daly City made it difficult for him to spend the amount of time necessary on legal affairs for the rapidly-expanding city.

On motion of Councilman Edward J. Mooney, seconded by former Mayor A. J. Gaggero, Frank B. Blum, of 333 San Mateo avenue, Daly City, was appointed to the job of city attorney.

A local resident and graduate of Jefferson high school, Blum is 33 years of age and a veteran of World War II. He is a graduate of San Mateo Junior College and San Francisco Law School and was admitted to the bar in 1940.

The new city attorney resides in Daly City with his wife and three children, including a set of twins, and is a member of Old Glory Post, Veterans of Foreign Wars.

Entering World War II as a private, Blum was honorably discharged three years later with the rank of first lieutenant, after serving in Africa and Italy as a radar officer with the Twelfth Air Force. Blum is first vice-commander of the 363rd Infantry Post, American Legion, and on the law committee of the Grand Lodge, Knights of Pythias.

He is associated with the law firm of McGuire and Lahanier in San Francisco, and will be available on Friday afternoons at the city hall.

The school winning the highest number of points will be presented with a trophy. First place winners will be presented with medals. Ribbons will be given to those students winning second, third and fourth places.

Peninsula Transit Co. Buys Operating Rights In South San Francisco

Operating rights of the San Mateo - Burlingame Transit company in South San Francisco, San Bruno, and Mills Field have been sold to the Peninsula Transit company, under authorization from the state public utilities commission.

The Peninsula Transit company had heretofore operated to outlying areas of South San Francisco, including Holy Cross cemetery and Brisbane.

Better transportation schedules are expected with the new company taking over the routes. The buses will travel on a 30-minute headway from 6 a.m. to midnight into the international airport and Mills Field.

LIONS CLUB

Duncan Sisters On May 10th Benefit Show At Theatre

Headlining a cast of outstanding performers, the world renowned Duncan Sisters, famous for their "Topsy and Eva" routines, are whipping acts into shape for the second annual Daly City - Colma Lions Club Show to be presented to the public at 8 p.m. on Tuesday, May 10, at the Daly City Theatre. These two noted sisters are at present operating the Duncan Sisters' School of the Theatre, and they promise many surprises for the audience the night of the performance for the Lions Club.

In addition to the Duncan Sisters, the Daly City Eagles Hill Billy Band and the dancing stars, the Remmer Sisters, will share the spotlight with the other local and imported talent who have joined together in the common interest of promoting the cause of youth welfare in the Daly City - Colma area.

A full-length movie feature, Olson and Johnson in "Crazy House," will complete the program.

MOTHER'S DAY BAZAAR SLATED FRIDAY, MAY 6

The Masonic temple will be the scene of a Mothers' Day bazaar Friday evening, May 6, to be sponsored by the women of the Grace Presbyterian church. The affair will be handled by Mrs. Walter Kessler, Mrs. Margaret Archer and Mrs. Henry Adami.

This will also be the second birthday dinner and tables will be decorated to represent each month of the year.

Serving will begin at 5 p.m. Tickets for the dinner may be reserved by calling JUniper 4-0113 or JUniper 4-9330.

Woodrow P. T. A. "Record Book" Takes First Place

The Woodrow Wilson P.T.A. publicity record book, which is a record of all publicity received by the unit through the various news publications, won first place at the Seventeenth District Convention held last week in Redwood City. The record book will be on display at the C.C.P.T. Convention being held in Los Angeles this week.

Woodrow Wilson P.T.A. was represented at the C.C.P.T. Convention in Los Angeles this past week by Mrs. William M. Cheatham, president, and Mrs. John Sorensen, past president.

A study course in "Organization, History and Leadership" has been completed by members of the Woodrow Wilson P.T.A. Those enrolled are Mesdames William M. Cheatham, Carl Berg, Earl White, John Sorensen, Henry Adami, and Sanford Larson.

Moves To New Broadmoor Home

Moving into their new home in Broadmoor last week were Dan Anderson, manager of the Daly City Theatre, his wife and four children, Audrey, Dan Jr., Dick and Sherry, and what is even more important (according to Mr. Anderson) his two dogs.

(We wonder what Mrs. Anderson will have to say to that.) The new home is at 1728 Louvain street.

National Guard Will Take Part In May Day Parade

Components of the 149th AAA-AW Battalion, California National Guard, will be represented in Daly City's May Day Parade next Sunday, when a half-track truck, towing two 40 millimetre anti-aircraft guns will be exhibited.

The 149th, composed of veterans and National Guard members from Daly City, San Bruno and South San Francisco, meets at the San Bruno Navy Base.

Pointing out that National Guard members receive pay for training hours, Commander Bill Sweeney of Old Glory Post, VFW, said the organization was looking for new members from cities in northern San Mateo county.

"Record" Article Appears Recently In Auto Magazine

The Daly City Record gets around. An article appeared recently in the Motor West, a magazine published in Los Angeles for automotive sales and maintenance companies, telling of the 33rd anniversary of the Daly City Garage. The article had been taken from the Daly City Record's account of the news item.

The business, located at 47 Hillcrest avenue, was founded in 1916 as the Hillcrest Garage by Clifford J. Pettigrew, present owner, and Tom Prescott.

Jim Thomas, former chief of police at Broadmoor, is a new partner in the business. Thomas has had several years experience in auto mechanics.

Colma Man Takes Fourth Place In Talent Quest

Finals in the coast-to-coast talent quest for stars held Sunday evening in Grauman's Chinese theater, Hollywood, judged 15-year-old Charles Nelson of Salina, Kansas, high school baritone, first. Local contestant Albert Uhalde, of Colma, placed fourth.

Selection was made by audience applause and by a panel of judges. The contest was comprised of a nine-act variety show including regional talent quest champions who had won recognition over some 15,000 aspirants in 550 theaters in 20 states.

The contest was conducted by National Theaters under the sponsorship of Charles P. Skouras, president.

No Further Draft For Army Expected During This Year

In a letter to Congressman Jack Anderson, Representative from this district, General Omar Bradley, Army Chief of Staff, has stated that in all probability no further inductions in to the armed forces will be necessary in 1949.

Answering Anderson's inquiry, Bradley declared, "We have been able to suspend inductions since February 1st because of voluntary enlistments. At the present time, the Army is slightly over its authorized strength for the fiscal year beginning July 1, 1949, and it is anticipated that strength authorizations will be met by normal attrition."

"If the present rate of voluntary enlistments is maintained and no unforeseen circumstances should arise, such as a national emergency, future inductions for the remainder of the calendar year will in all probability not be necessary."

Bradley concluded however that should voluntary enlistments fall short of the required strength, action would be taken under the Selective Service Act.

Anderson said that Bradley's letter also gave assurance that the Army's present high-gear-

MAY DAY PARADE GETS UNDER WAY AT NEAR NOON ON SUNDAY

Anthony Gaggero Elected Secty. Of County Fair Assn.

A new look has been added to the staff of the San Mateo County Fair Association, according to an announcement of the board of directors yesterday.

Anthony Gaggero, Fair board member and former mayor of Daly City was elected corporate secretary of the association. Gaggero, a popular civic leader in the north end of the county is also a member of the civil service commission. He was a recent leader in the successful move to enlarge the boundaries of Daly City. He is a former member of the 1935 grand jury and has been actively associated with civic endeavors in the Daly City and Colma area for many years.

Effective at once, William Wilson, Half Moon Bay civic leader, takes over the newly created position of controller. During the past year Wilson has been serving as accountant for the organization. He is well known throughout the county for his activities as member of the civil service commission, a director of the Coastside County Water District, a member of the San Mateo Rotary Club and other civic activities. Prior to accepting his appointment as a Fair association employee last year, Wilson was a member of the Princeton Packers at Half Moon Bay.

Thirty-five organizations have thus far submitted entries to participate in Daly City's second annual May Day Parade, which promises to be one of the most spectacular events of the year in Daly City.

At 12:15 p. m. Sunday, May 1, the units will leave from Templeton and Mission streets and march south on Mission to School street. From there they will proceed west on School street to Station avenue, and north on Station to the Jefferson high football field where they will pass by the official reviewing stand. The football bleachers may be used by the public to review the parade and festival.

Twenty-five gold trophies, as well as ribbons, will be presented for the best of the units. Donated by the Daly City merchants, the trophies are currently being displayed at the Daly City Theatre.

The main feature of the parade will be the Queen's float which is sponsored by the City of Daly City. Riding on it will be the young May Day Queen, Lois Ann Lagomarsino, and her four attendants, Sandra Paoli, Mary Alice Olson, Marilyn Firpo and Geraldine Franzola. The float, which will be similar to that used in the St. Patrick's Day Parade, will be decorated in green and gold. The slogan "Daly City, Gateway to the Peninsula" will be (Continued on Page 6)

STERLING BUILDERS WITHDRAW PETITION FOR ANNEXATION

Chope Outlines New Million-Dollar Plan To Expand Hospital

Expansion of the San Mateo Community hospital has been planned under a ten-year program, which will cost one million dollars, Dr. Harold D. Chope, county health director, announced this week.

Dr. Chope said that when the plan is completed all of the public health facilities of the county would be moved to the hospital. Many of them are now in Redwood City. The first step of the new program will be the construction of a new west wing with a psychiatric ward and 40 additional beds.

The new wing will be paid for out of a \$150,000 bond issue voted last year and a similar sum to be paid by the state. The remainder of the plan is scheduled to be paid for through taxation over the ten-year period.

When is a pair of nylons 98 cents and when is a pair of nylons 89 cents?

The answer is that nylons sell for 98 cents ordinarily at the Colma Five and Ten Store, 7380 Mission street — but if you bring the ad in the Daly City Record or Shopping News with you, you may buy them for only 89 cents.

However, the ad in this week's Shopper and Record incorrectly states that the hose sell for 89 cents. This is true only if the customer brings the ad with him.

Recruiting campaign would be continued in order to hold any necessary draft to the very minimum.

Improved Lighting For D.C. Streets Is Expected Soon

Withdrawal of a petition for annexation of portions of two blocks in Abbey Homestead, adjoining Hillside Manor, was made by Sterling Building Corp. Monday night before the city council. The annexation had been protested by adjoining property owners who feared they would be included in assessment proceedings for street improvements.

In the second hearing, the council announced there were no protests in proceedings for abandonment of certain easements in the Westlake annex.

After appointment of Frank B. Blum as city attorney, Mayor Paul Green set May 23 as the date for a public hearing on a proposed new zoning arrangement for Daly City. The proposed ordinance and zoning map are on file with the City building inspector for the information of interested citizens, Green said.

Improvement of Alp street was seen as the aftermath of a resolution, passed unanimously, declaring Alp street a major city street.

On second reading, the council passed an ordinance requiring builders to pay charges for installation of water meters, as a prerequisite to final building inspection clearance.

Supt. of Public Works A. J. Bodien reported to the council that the Pacific Gas and Electric Company would soon be ready to act on the council's request for improved street lighting, and that 17 new high-lumen mercury lamps would be installed on Mission street, between San Jose avenue and Knowles avenue, as the first step in an improved lighting project.

Political Medicine---That's the Objective

Just what kind of political medicine would be palmed off on the American people if Congress were to enact a program of National Compulsory Health Insurance? Regardless of the exact form such legislation might take after Congressional argument and amendment, the known objective of the Ewing program is the establishment of a Government-regulated, politically-controlled system of medical care. Furthermore, the program would not and could not provide us "free" medicine, which is the frequent implication of its proponents. Mr. Ewing's program would be financed by another payroll tax taken in advance out of the paycheck of every American worker.

With these background facts in mind, let's give closer scrutiny to the case against socialized medicine. Let's take a look at the kind of medical care which we would have if such a program were to become law in our land.

LOW QUALITY — HIGH PRICE
Experience in other countries has demonstrated that political medicine would be low-quality medicine sold at a tremendously high price to the taxpayer.

It would invade individual privacy and destroy a sacred personal relationship between doctor and patient.

It would mean Government intervention and meddling in medical institutions operated by religious groups and other private organizations.

It would be grossly unfair to millions of veterans already entitled to free care.

It would destroy our American system of Voluntary Health Insurance.

It would undermine American incentive and it would lead to the socialization of our whole economy.

THE DOCTOR FILLS OUT FORMS

THE PATIENT WAITS AND WAITS!
Government-operated medical care would be inferior medical care, for wherever it has been attempted, political medicine has proven itself to be cheap medicine — but cheap only in quality.

In England, today, doctors' offices are jammed with people with minor complaints and imaginary sicknesses in addition to patients with actual illnesses in addition to patients with actual illnesses requiring careful attention, for the false promise of something-for-nothing is in full stultifying operation.

Then, there is an immense burden of paperwork involved in Britain's Government-regulated medical system — countless forms, certificates and reports to be filled out in triplicate by both doctor and patient. As a result, it is humanly impossible for doctors to give adequate time to careful diagnosis and treatment.

THE LINE FORMS TO THE RIGHT!
The only solution in Britain, Soviet Russia, Germany and France has been assembly-line, serial-number medicine. Patients have become names on a card index, standees in a lengthy queue waiting to be rushed through a doctor's office.

Lester Velie, of Collier's Magazine, in a recent first-hand report on the British compulsory sickness insurance program wrote: "The English, who have been forming queues for cigarettes, bacon, tea and clothes for nine long years, are now lined up in the biggest queue of all — the queue for free medical care."

In the same article, Mr. Velie reports: "To enter London's great Westminster Hospital for a tonsillectomy, a school child must wait, on the average, fifteen months. A woman requiring urgent gynecological surgery must wait seven weeks."

COUNTY EXECUTIVE
WON'T OK \$33,000
ARCHITECT'S BILL

County Executive Frederick Peterson this week refused to OK a \$33,000 bill for architectural services on the grounds that his office did not order the services.

The bill was for preliminary plans made by the San Francisco firm of Stone & Mulloy for the \$1,650,000 tuberculosis facilities at Canyon Sanitarium.

In a letter to the district attorney Peterson pointed out that under Section 2 of Article 5 in the county charter, the executive is supposed to engage architectural services in connection with county buildings and improvements. Stone & Mulloy were hired by agreement with the board of supervisors.

The county executive asked the district attorney for an opinion on the legality of the expenditure.

Stone & Mulloy's claim, submitted March 8, states:

"Due upon completion and acceptance of the preliminary plans — 25 per cent of 8 per cent of the estimated cost (\$1,650,000), including fixed equipment: \$33,000.

It is one-fourth of the entire fee they would receive upon completion of the final and working plans for the tuberculosis project.

Peterson said the "fee appears

NEWS FROM
THE SCHOOLS

CROCKER

The past week has proven a busy one for Crocker students and teachers. Having returned from the Easter vacation, the student body has plunged into preparation for observance of Public Schools Week, April 25 through May 1. The combined Crocker - Woodrow Wilson elementary school open house on Monday evening, April 25, from 7 to 9 p.m., will display especially a concentrated exhibit of the fundamentals, arithmetic and the language arts, as well as the social studies and extra curricula activities.

Colors in keeping with the season have transformed the halls and classrooms into a bright background for mounting the students' work and activities. The library, which has been used for the art and music periods, this past term, will display the arts and crafts work, while between 7:15 and 7:45 on Monday evening, April 25, the Glee Club and orchestra will demonstrate their accomplishments.

Holding "Open House" in the evening has been for the sole purpose of accommodating Mom and Dad, as well as the many friends who work, so that they may have an opportunity to visit the schools which their children attend in order to become familiar with the background and teaching techniques, as well as realize that the fundamentals of the curriculum are definitely not being neglected for the social aspects of the course of study. We feel it is for a better understanding of child welfare and growth that parents and friends make every effort to visit their schools, where the actual visualization of completed areas of experience will be on exhibit.

Crocker - Woodrow Wilson elementary school open house on Monday, April 25, proved most worthwhile and interesting to parents, friends, and teachers. An outstanding and exceptional musical program composed of orchestra and glee club numbers from both schools drew scores of visitors to the library of the building, where the students were led and directed by Mrs. Muriel Vint, music supervisor.

Special programs were made, headed by an original drawing made by Phyllis Rather, a H8 grade Crocker student. A boy and a girl representative were present in each room to act as host and hostess to the throngs of visitors, while the officers of the schools acted as receptionists in the hall.

Each visitor was asked to register, so that the school could compute the number of parents and friends visiting the school during the week. The Crocker display was carried out in chartreuse and the shades of violet, while Woodrow had a multi-color theme. A large poster, welcoming visitors formed a background for a picture bearing the caption: "America's Chief Line of Defense."

In connection with their social studies the L5 and H5 grades were shown lantern slides entitled, "Life in the Changing New England."

L6 and H6 are entering upon their final week of preparation for Education Week. Besides numerous paintings and drawings in connection with the Pacific Islands, they are also engaged in preparing many charts and illustrations of their studies in language and arithmetic. These charts help to drive home in graphic form the many processes which they have learned.

H7 and L8 are moving westward in their study of the expansion of the United States.

They have learned that Napoleon planned an empire west of the Mississippi. His dreams were shattered when the natives of Haiti revolted and killed their masters. Haiti could not now be used as a base for operations.

He suddenly summoned Monroe and Livingston, who had been dicker with him to purchase the small area around New Orleans, and told them they could have all of Louisiana Territory for \$15,000,000. The United States made a treaty with France to purchase the territory.

When Napoleon sold this region he exclaimed, "This day I have given England an enemy she will never conquer!"

PUT SAFETY FIRST

When planning your spring tour or summer vacation, put personal safety at the head of your list of "musts," urges the California State Automobile Association. Take It Easy in your driving, allow ample time for reaching each day's destination, and don't over-drive your physical endurance.

HOW CAN WE HELP ALCOHOLICS?

County Board Will
Appoint Commission
To Study Problem

The county board of supervisors will appoint a commission on May 3 to study the problem of the county's chronic alcoholics and possible remedies. Chairman H. W. Edmonds indicated this week.

Francis W. Murphy, San Mateo municipal judge, had requested the establishment of such a commission some time ago. Judge Murphy suggested seven members, including representatives of the law enforcement agencies, health department, and the medical profession. Membership of the commission may be expanded to take in representatives of the county probation department and of Alcoholics Anonymous.

A proposal to establish a rehabilitation center for alcoholics, similar to that in Alameda county, will be considered.

Victor Baher
Makes Statement
Of School Needs

Lack of school facilities for the many children in this district has done away with normal school life, according to Victor Baher, candidate for the Jefferson Elementary School District, Board of Trustees. Baher said that he believed his experience as an administrator and as an engineer would expedite construction of school facilities which in turn would revive normal school activities, if he were elected to the board.

The candidate taught engineering at the University of California during the war and assisted the United States Department of Education in making numerous films. He also taught adult engineering and mathematics.

A resident of Daly City for the past 11 years, Baher and his wife live at 37 Cavour street. They have four children. The oldest, 18-year-old Frances Baher, attends the State Teachers College. Their 15-

year-old son attends high school here while their 10 year-old twins are attending grammar school.

This year, Baher coached the Colma Boys' Club basketball team and the Holy Angels CYO baseball team.

At present he is serving on the board of directors of the Catholic Social Service Committee of San Mateo and is on the county grand jury. He is employed as an engineer by Bethlehem Steel Co.

New Credit Regulations Are Now In Effect

Easier credit regulations went into effect yesterday, giving buyers of furniture, appliances, and automobiles up to 24 months to pay instead of 21 months as before. Down payments on everything but automobiles was reduced to 10 per cent. It was previously 15 per cent. You still need one-third down to buy a car, however.

These changes in "Regulation W" made by the board of governors of the Federal Reserve System, were announced yesterday by the Federal Reserve Bank of San Francisco.

During the past year, 43,000 Naval Air Reservists participated in regular drills or annual training.

John Sampino

John Sampino, retired carpenter, passed away at Community hospital Friday, April 22. He had resided at 67 Wilson street, Daly City until his death.

A native of Palermo, Italy, he had been in the United States 40 years and in California 37 years.

He is survived by his wife Theresa Sampino and daughters and sons Mrs. Antonette Aiello, Mrs. Caroline Aiello, Anthony and Ignatius Sampino, and eight grandchildren.

Funeral services were conducted from the mortuary of W. C. Lasswell, Monday, April 25, thence to Our Lady of Perpetual Help church where a Requiem High Mass was recited for the repose of his soul. Burial was at Holy Cross cemetery.

Barbara Jensen Brings Back Four Swim Awards

Just back and rarin' to go again is Miss Barbara Jensen, 19 year old daughter of Mr. and Mrs. Jay Jensen, Colma, who flew in from Florida, Wednesday of this week bringing with her two first places, one second, and one third after competing in the Indoor Nationals at Daytona Beach, Florida.

Barbara took firsts in the 200 yard backstroke and 300 yard individual medley; second in the 100 yard backstroke and third in the 220 yard freestyle.

For receiving 15 individual points Barbara was given "the high point award" automatically choosing her as one of the swimmers to make a trip to Europe representing the United States in competition and exhibition. Zoe Ann Olsen, diver, from the Bay Area, will also go with Barbara. Two boys are yet to be chosen for the trip. They will leave in June and return the middle of July.

Barbara will do an exhibition May 4 at the Fairmount Hotel. Competitions are also scheduled at Marin and Stockton for the month of May.

Barbara began competition swimming in 1942 and has been going up the ladder ever since. She also swam in the Olympics held in London this year.

She is a graduate of Lowell High and Lux college.

The first Naval Air Reserve was formed in 1923.

How your HOME FREEZER

PROVIDES BETTER MEALS AT LOWER COST

Thousands of California homemakers are serving meals of more variety and better quality—all at a substantial saving through the thrifty use of their Home Freezers. And here is how you can do it, too.

More Variety You can freeze almost any kind of meat, fish, poultry, fruit and vegetables. Thus Spring Lamb and summer fruits and berries can vary the winter menu.

Better Quality You can buy fresh foods at their peak-of-season flavor and quality, and you preserve them at their best by quick freezing. More of vitamins, so necessary for good health, are retained.

More Convenience It is like having a market in your own home when you have a well-stocked Home Freezer. And how convenient that is! Here are foods for box lunch meals, from sandwiches to dessert, all ready to pack in a hurry. Or complete meals, cooked, ready for heating and eating including many kinds of baked foods. And there are party foods for special occasions or for unexpected company.

Greater Savings Buying in a larger quantity at low prices saves money. Leftovers frozen for later use eliminates waste and adds to meal variety. Many users say their home freezers have paid for themselves these three ways—through quantity bargain buying, elimination of food waste and fewer shopping trips.

Preparing food for home freezing is not difficult to do. Detailed instructions come with the Home Freezer you buy. Ask your electric dealer about a Home Freezer of adequate size to fit the needs of your family.

DON'T CUT IN

Too many drivers engage in the dangerous practice of "cutting in" sharply after passing another car. A safe rule is to wait until you can see the car you have passed in your rear view mirror. Also, be sure, before you start to pass, that you have ample clear space ahead.

NOTICE TO CONTRACTORS

Advertisement for Bids

NOTICE IS HEREBY GIVEN THAT the Board of Trustees of the Jefferson Elementary School District of San Mateo County, State of California, will receive bids for the erection, construction and completion of seven classrooms and administration unit upon public school property located at Garden Lane, Garden Village, County of San Mateo, State of California, including all necessary labor, materials, services, transportation, etc., each bid or proposal to be in accordance with plans, drawings, specifications and other contract documents now on file in the Office of the Superintendent of Schools for said School District, at the office in the existing Administration Building, 344 Santa Barbara Ave., Daly City, San Mateo County, California, where they can be examined, and with Mario Clampi, Architect, 333 Kearney St., San Francisco, California, and copies of same may be obtained from said Architect at 333 Kearney St., City and County of San Francisco, State of California, upon deposit of \$20.00 per set, which deposit will be refunded upon return of such copies in good condition within five days after the bids have been opened.

Bidders are hereby further notified that pursuant to the Statutes of State of California, or local laws thereto applicable, it shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the general prevailing hourly wage rate and the rate per diem wages and rates for legal holiday and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract awarded to the successful bidder, and all bidders are hereby further notified that they must ascertain from the proper authorities the said wage rates before submitting their bid. Bidders shall set forth in the bid the name and location of the mill, shop or office of each subcontractor who will perform work or labor or render service to the contractor in or about the construction of the work or improvement and the portion of the work which will be done by each subcontractor.

Each bid must be made out on a form to be obtained at the office of said Superintendent or at the office of said Architect, at the addresses hereinabove set forth; shall be accompanied by a certified or cashier's check or bid bond for not less than 10% of the amount of the bid and made payable to the order of the said Jefferson Elementary School District, shall be sealed and filed with the said Superintendent of Schools at his office on or before Thursday May 12, 1949, at 8 o'clock p.m. of said day, and will be opened and publicly read aloud on Thursday May 12, 1949, at or about 8 o'clock p.m. of that day in the office of said Superintendent.

The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the said Board of Trustees. Successful bidders on labor and material contract work will be required to furnish, in the amount of fifty per cent (50%) of the contract price a Labor and Material Bond, and a Faithful Performance Bond in the amount of one Hundred per cent (100%) of the contract price; said bonds to be secured from a surety company satisfactory to the Board of Trustees.

The Board of Trustees reserves the right to reject any or all bids, or to award a contract on the basis of the proposal which serves the best interest of the School District.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated at Daly City, California, the 20th day of April, 1949.

Notice of Trustee's Sale

Notice is hereby given that on Wednesday, the 4th day of May, 1949, at the hour of 4:00 P.M., of said day, at the entrance to the City Hall, 75 Wellington Avenue, Daly City, San Mateo County, State of California, S. Walter Burke, as substituted trustee, will sell at public auction for cash, in lawful money of the United States, all payable at the time of sale, the following described real property situated in the City of South San Francisco, County of San Mateo, State of California, to-wit:

Lot 26 in Block "A", as designated on the map entitled "Map of Peck's Subdivision No. 1 South San Francisco San Mateo Co. Cal.", which map was filed in the office of the Recorder of San Mateo County, State of California on June 24, 1907 in Liber 5 of Maps at page 11.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust dated April 10th, 1946, between John H. Moore and Pauline C. Moore, his wife, as trustees; City Title Insurance Company, a California corporation, as trustee; and Gladys H. Burke, as beneficiary, recorded in the office of the County Recorder of the County of San Mateo, State of California, on April 20th, 1946, in Volume 1276 of Official Records, at page 22 thereof.

Said deed of trust was assigned by Gladys H. Burke and S. Walter Burke, her husband, to Jack L. Gunning by assignment dated August 22nd, 1947, and recorded in the office of said County Recorder in Volume 1602 of Official Records, at page 138 thereof, on December 10th, 1948.

Notice of default of said obligation and election to sell, or cause to be sold, the trust property to satisfy the said obligation, was recorded in the office of said County Recorder in Volume 1650 of Official Records, at page 193 thereof, on December 6th, 1948.

Notice of substitution of trustee was recorded in the office of the said County Recorder on March 1st, 1949, in which the undersigned, S. Walter Burke, was duly substituted as trustee in and for said City Title Insurance Company, a corporation, as per Recorder's Receipt No. 78543H.

This notice is given in compliance with the demand of the beneficiary by assignment heretofore made on the substituted trustee.

Midget Auto Racing Gets Under Way At Bayshore Stadium

Two of the "hottest" engines in the nation's midget auto racing circles will be on hand when 45 drivers and cars inaugurate the 1949 night midget auto racing season at San Francisco's Bayshore Stadium, located just behind the Cow Palace.

The two engines are: a Barker engine, built by Bob Barker of Burbank, and the only one of its kind in the United States; and a Lea Francis engine, one of two in the nation.

The Barker, built to compete with the fastest racing equipment in midget racing, will be No. 21, driven by Chuck Stevenson. Chuck drove the car in the first day race of the season at Bayshore, and amazed the crowd by coming from last to first to win the 3-lap trophy dash.

The Lea Francis, an English engine with 127 h.p., will be in the Oakland Auto Rental Special No. 6, driven by Woody Brown. It is a four-cylinder, two-cam, valve-in-head engine.

Many driver and car changes have been made since last year's windup at Bayshore. Among them the switch of Marvin Burke, 1947 runner-up, to a new Kurtis No. 24; Bob Sweikert, indoor champion, to the Gentel V-8 Kurtis, No. 3; and Fred Agabashian to a brand-new Kurtis V-8 owned by George Bignotti of Daly City. The car has the same number—154—that Aggie drove to the championship last year, but the car is entirely new.

Jerry Piper, runner-up for the 1948 championship, will drive No. 1, the car Aggie drove to the title last year. Time trials start at 7 p.m.; the first event at 8:15. Eleven races are on the program.

PERSHING P.T.A. REPRESENTED AT 17TH DIST. MEET

Representing the General Pershing P.T.A., Mesdames D. C. Gensel, Raymond Gross, John Eason and A. W. Lauffenburger attended the 22nd annual meeting and election of officers of the Seventeenth District of California Congress of Parents and Teachers April 21 at the Sequoia Union High School in Redwood City.

Honorable mention was received for the General Pershing publicity book.

Mrs. George Freeland and Mrs. D. C. Gensel met with the Recreation Department, under the direction of Elman Rose, to make conclusive plans for the May Day Festival. The Pershing P.T.A. will supply hot dogs and buns to be served on the Jefferson high football field.

"Come and meet your new officers and chairman Tuesday, May 3, at 1:30 p.m.," asks Mrs. Freeland, newly installed president of the General Pershing unit. Mrs. John Sorenson and Mrs. James Jordan, past presidents of Woodrow Wilson and Crocker P.T.A. units, will report on the State convention of the California Congress of Parents and Teachers, which they attended in Los Angeles.

A representative of the San Mateo Recreation Department will be at the meeting. She will have pamphlets, selling at 25 cents each, on the recreation facilities in San Mateo county.

LeRoy Haynes To Speak In S. F.

Many from Daly City plan to hear LeRoy Haynes, originator of Nazarene boys' and girls' camps, who will speak at the First Church of the Nazarene in San Francisco at 2:30 p.m. Sunday, May 1.

Having served four years as chaplain for the Whittier Boys' School, and seven years on the police force in the juvenile department, Haynes has a vast experience of the problems of youth and how to meet them. His talk will be of special interest to parents and youth leaders. At present, Haynes has his own camp for boys and girls at Sierra Madre.

At the local church of the Nazarene, 101 Vista Grande avenue, a group of junior-age boys had an afternoon of fun in the social hall under the supervision of Mr. and Mrs. Alex Sokol on Saturday, April 23.

Saturday evening a social was given for the young people. It was well attended. The Nazarene Young People's Society have lively programs every Sunday evening at 7 o'clock. They extend a welcome to any young people who would like to attend any of their

Another feature of the parade will be the two block long entry from Old Glory Post No. 2044, V. F. W. It will include two batteries of anti-aircraft guns, one armored half track, two mobile 40 millimeter guns, and three mobile power turrets. These units will be supplied by the National Guard Recruiting Service.

Fifty mounted riders will be the entry of the Rancho El Camino, while the San Francisco Horsemen's Club will enter a unit of 20 mounted riders. Twenty palomino horses will be ridden by members of the Palomino Club of Hayward. Other mounted units will be entered by the San Mateo Sheriff's posse, the San Bruno Sheriff's Posse, and the Vagabond Horsemen.

Organizations which will enter floats include the Jefferson High School, Ellen Stone Dancing School, Bunny Carroll Dancing School, Daly City Merchants Association, Daly City-Colma Lions Club, Fraternal Order of Eagles No. 1848, Daly City Rod and Gun Club, Broadmoor Boys' Club and the Colma Boys' Club.

Drum corps marching in the parade will be furnished by the Mission Parlor, Native Sons of the Golden West, Boy Scout Troop No. 41, Colma-Vista Grande Aerie No. 1848 Fraternal Order of Eagles, Swiss Girls' Drum Corps, Boy Scout Drum and Bugle Corps, Loyola Institute, Y. L. L. The latter organization will also enter a marching unit and a float.

Other marching units will be furnished by the Boys Traffic Patrol, Girl Scouts, Women's Auxiliary No. 410, American Legion, the Daly City Boys' Club and Our Lady of Perpetual Help traffic patrol.

Motor bikes and decorated cars will be entered by the Daly City police department with motorized units entered by the fire department. Other decorated cars will be entered by the Daly City-Colma Italian American Club. The Jefferson high school band and the Daly City band will both participate in the event.

Mel Battye is the chairman of the parade with Eddie Allen acting as Grand Marshal.

Mr. & Mrs. Lewton Celebrate Fiftieth Wedding Anniv.

One hundred anniversary cards were received by Mr. and Mrs. Zina Lewton from their friends in Oxford, Nebraska, in celebration of their 50th wedding anniversary, which they celebrated at the home of their daughter and son-in-law, Mr. and Mrs. Roger C. Jackson, 166 Wyandotte street, Daly City.

For the first time in 12 years the family was together last Saturday, April 23, to celebrate. Those present were Mr. and Mrs. Zina Lewton, honorees; Dr. and Mrs. R. A. Newton and son Richard; Captain and Mrs. L. A. Newton and Gean, Lila, and Billy; Lieutenant and Mrs. Paul J. DuPre and son Paul.

Beware of that guy Jimmy Fox! Don't believe a word he tells you. And what he's stretching ain't his budget, but the truth. You want proof? Well, he's proprietor of a beautiful Mercury outboard motor after telling a whopper of a whopper at the San Francisco Sports, Travel and Boat show. He is none other than the champ of the California State Liars' annual contest sponsored by The News at the show Sunday evening. But he was worried for a while when Teresa Joyce, 15 years old, gave him some keen competition. Miss Joyce took her father's place while he was on vacation.

Jimmy operates a grocery business in Daly City but likes fishing better. He is also past president of the Daly City Rod and Gun Club.

Others from the top of the hill who received honorable mention were Ben Leep, Floyd S. Harris, Bill Bartlett, Gordon S. Johnson, J. Floyd Han, Ina L. Kleinen, Andre P. Laumond, L. Clarenbach.

Below is the reason why Jimmy got what he deserved as quoted from The News:

"Last year while bass fishing at Ocean Beach a seagull swooped down and stole my bait. In the scuffle to free myself from the hook, he broke my line and flew off, the hook still in his gullet and about 10 feet of line dangling from his bill. I promptly forgot the incident."

"Later that year while trout fishing in June Lake, I noticed a gull come gliding over the water continuously, about eight feet high. Whenever he did, the trout seemed to start jumping. Becoming curious at the activity on an otherwise fishless day, I rowed over to watch. Well, it was a seagull with a line dangling from his mouth. The end of the line was frayed and fuzzy, resembling a trout fly."

"When the gull swooped low, the frayed line hit the water, and the trout, thinking it a real fly, bit it. As the trout hit the fly, the gull gave a jerk, and before he could let go, he was flying up into the gull's mouth. I was so startled I yelled 'holy smoke!' It scared the gull, and he dropped the trout right into the boat. A nice 11-inch rainbow."

ALMOST HAD LIMIT
"Well, for the next hour I kept following the bird and yelling whenever he had a fish on. I almost had a nice limit when I got careless and wasn't watching as the gull flew low over the boat. The sinker still was attached to the line, and it hit me on the head and fell off. What a surprise to find it was one of my own homemade sinkers! That was the same gull that had stolen my outfit at Ocean Beach."

"As he flew away, I couldn't help think that he flew low and hit me on the noggin on purpose!"

HAPPY BIRTHDAY! This Is A Week Of Birthdays For The Morescos And Martinellis

By Harry Castiglioni

We have many people on our Happy Birthday List this week, especially people named Moresco, Martinelli, and Bloom. Angelo Martinelli, 407 Santa Barbara avenue, will celebrate his birthday on May 2, while Lorrin W. Martinelli, 7 East Market street, will come up for birthday honors on the next day, May 3.

Carol and Linda Bloom, of 75 West Cavour street, will celebrate their birthdays together on May 3. On May 4, Karen Moresco observes her birth anniversary, while Rena Moresco comes up the next day, May 5.

The only girl on our list who was born on May Day is Judith Ann Silvestri, 163 Werner street.

Estelle Parodi, 17 East Cavour

WALK WITH CARE

Safe walking, under present day traffic conditions, requires its own degree of skill and alertness, points out the California State Automobile Association, which notes that it's usually the casual walker who becomes the traffic casualty.

street, has her birthday today, April 28. Then we have four more people on the list for May 4: Elaine Foppiano, 799 Hillside boulevard; Eleanor Shulda, 82 Market street; Irwin Kramer, 231 Acton street, and Irene Broitsch, 56 Mateo avenue.

Alfred Toshi, 1832 Sweetwood drive, and Dorothy Kramer, 231 Acton street, finish off this week of birthdays by having theirs on May 5.

We wish all these people — and everyone who has a birthday this week — a very pleasant birthday and many more to come.

Don't forget, if you know of someone who's going to have a birthday, get his name and day of birth, and bring the information to Harry's Pastry Shop two weeks ahead of time — or else we won't be able to get it in the paper before the day of the birthday.

OFF THE BLOTTER . . .

After reading of so many lost youngsters wouldn't it be a good idea to have the children licensed to a certain age so that when they get lost and can't recall their name or home address, just look up their tag number. Don't you think it would save a lot of time? Of course, it's a little harsh giving a child a number so young.

Well, anyway, if little David Garrison, 2½ years, of 13 Muirwood drive, had had a number, when he wandered away from home his mother would have been saved the time and worry of wondering where he was. The police would have checked his name and address and returned him safely home. Efficiency plus! Of course, let's look at Dave's side of the story, maybe the poor kid wanted freedom and wanted to get out in the big, wide, wonderful world and be a man again.

And that goes for Jackie Pace, of 138 Oliver street, who was found wandering by Mrs. Fricano of 173 Miriam street last Thursday.

Judy Morgan, 4, of 98 Vendome avenue was in the same boat last Thursday evening.

While on patrol Friday morning Sergeant Beecher called the office to notify the Colma Fire Department to respond to an automobile fire. The car belonging to Robert Lakins, Rt. 1, Box 511, Colma, caught on fire on Junipero Serra boulevard near the Adams Paint company.

Getting a lesson in etiquette this week is Frank Marino's brother, of 24¼ Knowles avenue. Friday, April 22, Frank reported his Packard convertible coupe had been stolen from in front of his home. Two days later he reported to police that his brother had borrowed it without asking. Next time say please!

Jeffery Pearlman, 6, of 336 Miriam street, was treated at Junipero Serra hospital for an abrasion of the right knee. He was injured in the yard while playing.

Timber! The trees fell down and went boom! A call was received by the police department last Friday that a couple of boys were sawing down trees and trees were on railroad property. Officers responded and found the boys sawing willows at the end of Los Banos

avenue. They were reprimanded, sent on their way.

Helen Walker, Lamath avenue, Brisbane, and Louis M. Stoll, 323 Lincoln way, San Francisco, were taken to Junipero Hospital after the car they were riding in struck a telephone pole south of the Owl Garage on El Camino Real Saturday morning. Walker received a broken right arm and Stoll a compound fracture of the left knee.

They're still going strong on the Cancer cans. Tom Mitchell, of Club Casino, 6190 Mission street, reported Saturday morning to police that one had been stolen from the counter.

Robert Joseph Kelly, 430 Munich street, San Francisco, Louie Bijah, 536 Hillside boulevard, and Alfred Robert DeVito, 86 Ocean avenue, were involved in an auto accident at the intersection of No. 1 Highway last Saturday evening. Property damage only.

Last Tuesday Mrs. Merrif, of 58 Bepler street, requested transportation to the emergency hospital for her daughter Carolyn, who had fallen in a vacant lot and cut the little finger of her right hand. She was taken to Junipero Serra hospital for treatment and returned home.

Alex G. Cameron

Word was sent by Mrs. Alex R. Cameron of Tampa, Florida, that her father-in-law, Alex G. Cameron, former resident of Daly City from 1919 to 1938, passed away in Oroville, California, on Friday, April 15. He was a native of Scotland. While in Daly City he was a member of Company No. 3, Daly City Fire Department, and the Veteran Firemen's Association of Daly City.

He was the father of Alex R. Cameron of Tampa, Florida, formerly of Daly City, and the late Cecil Cameron; grandfather of Raymond and Jack Cameron, also of Tampa, and Peggy Cameron of San Bruno; brother of Mrs. Ina Cameron and Mrs. J. Cicero of Oroville.

The first Naval Reserve Aviation base was established at Squantum, Massachusetts.

Joe Lewkowicz In Active Campaign For Trustee Job

Joe Lewkowicz, candidate for school board trustee of the Jefferson Elementary School District, stated this week that he was making a campaign for the position.

Lewkowicz, who has operated a business in Daly City for the past three years, has lived in Daly City since 1939 and owns his own home here at 501 Vista Grande avenue.

The candidate is a strong believer in helping the young people gain recreation facilities. "The children come first," said Lewkowicz, who has six children of his own, five of whom are attending schools in the Jefferson element-

Walter Renner Srs. Entertain Guests At Cocktail Party

The cocktail party held Saturday evening, April 23, at Walter Renner Sr.'s home, 1000 Niagara avenue, was a tremendous success.

Those present were Mayor Elmer E. Robinson and wife, Dion Holm, City Attorney Comm. John P. F. F. and wife, Deputy District Attorney of San Mateo County Louis B. De Matties and wife, Police Comm. Warnock Walsh and wife, Park Comm. Bill Simmons and wife, Hon. George R. Reilly and wife, Deputy City Attorney Reynald J. Bianchi and wife, Judge

LOW BATTERY SIGN

If your lights dim when the starter is being used it quite likely indicates nothing more serious than that the battery is low, declares the National Automobile Club.

The number of immigrants to Brazil between 1820 and 1939 was 4,645,462.

John B. Molinari and wife, Albert Wollenberg and wife, Leo Cunningham and wife, Edward F. O'Day and wife and William T. Sweigert and wife, and Walter Renner Jr. and wife, and many writers and celebrities.

After the party they all attended a large gathering at the Geneva-Mission Merchants banquet.

Fishing Exhibits Pack 'Em In At Sports Show

Northern Californians' enthusiasm for boating is being overwhelmingly confirmed again at the 4th Annual San Francisco Sports, Travel and Boat Show now running in the San Francisco Civic Auditorium. The huge exposition continues for ten days through May 1, with afternoon and evening stage shows at 3:30 and 9 p.m. Doors open at 1 p.m. daily.

While crowds in the opening days displayed avid interest in all the 200 exhibits typifying every outdoor sport, they swarmed in greatest numbers about the squadron of luxury cruisers, yachts, sailboats and outboards drydocked on

the auditorium floor.

Second best drawing card at the show, which is jam-packed at every performance, is the fishing exhibits, with eager nimrods examining the latest in rods and reels — including French- and British-made creations — and the newest in casting flies and lures. Sharing generous attention, too, are displays of hunting arms and special gun sights, golf and tennis exhibits, wheel goods, camping outfits and other standard and novelty outdoors equipment.

The Sports Show's huge indoor lake is the mecca of nimrods eager to improve their technique under the guidance of national champions Ben Hardesty and Marvin Hedge, while golf star Joe Kirkwood, Sr. and tennis stars Bob Stow, Dick Stevens, Bill Crosby, Clovey La-Croix and Ted Schroeder are finding their hands full at golf and tennis clinics.

IN EVENT OF A BLOWOUT

It may prove useful to know what to do in event of a blowout, declares the National Automobile Club. If either a front or a rear tire blows out there is a tendency for the car to pull in the direction of the affected wheel. The first thing to do is to meet it with a counter force applied to the steering wheel, being careful not to overdo in resisting the swerve of the car.

Beyond steering firmly, guard against strong application of the brakes. It is better, indeed, to let the car coast to a stop if sufficient space permits.

Kern county with an estimated population of 210,000 has 168 doctors.

"MIRACLE OF THE TREES"

"Miracle of the Trees," an outdoor dramatization of world history designed to portray man's eternal struggle for freedom and peace, will be presented in the Big Trees Bowl near Felton in the Santa Cruz Mountains at 3 in the afternoon of May 7, 8, 14, 15, 21, and 22.

Sponsored by the Big Trees Bowl Foundation, the play will use a cast of over a thousand and a stage with many levels set against a backdrop of giant redwoods to tell the story of civilization from the beginnings, up through early Biblical times, the great days of Rome and its collapse, and the rise of modern America, all placing emphasis on the theme of freedom and peace.

"And Puffed Out a Plum"

By BETTY BARCLAY
Little Jack Horner had the right idea of what was good when he ate his Christmas pie. And whether you call it Plum Pie or Plum Cake, this delectable dish sounds like fairy-tale food. It tastes just that good, too! Try it on the family some wintry evening. Or save it for the children's company dinner. Of course if you add place cards with Little Jack Horner's verse on them, the Plum Cake will become the inspiration for a real party!

PLUM CAKE

1 cup sifted flour
1 1/2 teaspoons double-acting baking powder
3/4 teaspoon salt
3 tablespoons sugar
4 tablespoons butter or other shortening
1 egg, well beaten
6 tablespoons top milk
1/2 cup Grape-Nuts

1 No. 2 1/2 can red plums (15 plums)
2 1/4 tablespoons sugar
1/2 teaspoon cinnamon

Sift flour once, measure, add baking powder, salt, and sugar, and sift again. Cut in shortening. Combine egg and milk and add to flour mixture, beating only enough to dampen all flour. Add Grape-Nuts and mix carefully. Turn into greased 8 x 8 x 2-inch pan, spreading dough evenly.

Drain plums; cut in halves and remove pits. Place, cut-side down, on absorbent paper to drain thoroughly. Arrange plums, skin-side up, in rows on top of dough. Sprinkle with mixture of sugar and cinnamon. Bake in moderate oven (375° F.) 35 minutes, or until done. Serve warm.

The *GAS* Refrigerator

Like Arlene Francis's guest on the "What's My Name?" program, over 2,500,000 Servel-owning families know the answer: "The only refrigerator that stays silent, lasts longer is the Gas Refrigerator."

That's because the Gas Refrigerator is basically different from all others. It hasn't a single moving part in the freezing system. No machinery to cause noise, no motor to

wear. A tiny gas flame does all the work. So Servel is permanently silent, longer-lasting.

The new Servel brings you every worthwhile convenience, too. A big frozen food compartment. Ample ice cube trays with trigger-quick cube releases. Dew-action fresheners for vegetables. A flexible interior with clear-across shelves. But see the beautiful Gas Refrigerator models for yourself. Come in today.

Applications For WAC Officers Now Being Accepted

Captain Carl E. Wordley announced today that applications are being accepted for the October class of Officer Candidate School in the Women's Army Corps. Civilian women desiring to become Army officers should apply for the October officer candidate class by filing their applications not later than May 15.

Capt. Wordley further explained that to qualify for Officer Candidate School an applicant must be a citizen of the United States, between the ages of 19 and 28 (applicants under the age of 21 must have the written consent of their parents), be single, have two years of accredited college education, and be able to pass screening tests. Any applicant who does not meet the college requirement, but who is otherwise exceptionally qualified, may establish eligibility by passing an appropriate Army educational examination.

Applicants from civilian life who have not had prior service will receive ten weeks of basic training before starting the officer candidate course. During the basic training period, women will learn the fundamentals of Army life, Army customs, and military courtesy. Officer candidates will hold the grade of sergeant during this basic training period.

Enlistees for Officer Candidate School who fail to complete the course successfully may be separated from the Army upon request.

Complete information and applications, Captain Wordley said, may be obtained from the U.S. Army and U.S. Air Force Recruiting Station, located at 428 Market street, San Francisco.

NAVY NEEDS HIGH SCHOOL GRADUATES

Young men, if you are high school graduates, and can pass the required mental and physical examinations, the Navy will guarantee to send you to one of its many trade schools which are considered among the finest in the world. This gives a young man a chance to become an expert in his line of work and at the same time receive a good salary while he is learning. Earn while you learn is a Navy slogan, and today the Navy being one of the greatest technical organizations in the world needs men who are high school graduates to qualify for its various job assignments.

In addition to learning a trade and being paid at the same time, some of the other benefits offered a young man are: 30 days paid vacation each year, free medical care, a clothing allowance, free board and room, and a chance to retire after 20 years service, while still a young man. For further information, call EMerson 8-1185 or visit the Navy recruiting office, county courthouse, Redwood City.

News Notes From San Mateo Jaycee

With eight straight conference wins racked up, San Mateo Junior College baseball players are leading their conference with only four more games to be played. The Mat-teans won a double header from Hartnell College of Salinas Saturday and play Modesto jaycee in another doubleheader at San Mateo this Saturday. The San Mateo nine recently defeated the Stanford Frosh nine for the first freshman loss of the season, 7-2.

In the big conference track meet San Mateo placed third, with its small squad coming through with first places in the mile, discus, shot and javelin. The tennis team defeated Menlo College as did the Matean golfers.

The past week end was quite a big week for San Mateo in sports. At the men's smoker, where movies, talks, refreshments, weight lifting exhibitions, and smokes filled in the evening, Dink Templeton, well known track coach and sports commentator, was a popular speaker. In the course of his talk he brought out the fact that he was once a student of Charles Morris, now president at San Mateo, when Mr. Morris first started his teaching career.

More news is coming to light regarding the biology classes' recent trip to Death Valley. The students and faculty member had a fine trip that was instructive and entertaining. More of such trips will be organized in future vacation periods.

This Thursday evening was open house on the three campuses with the students and faculty members meeting the public and showing the work of the different departments. An added feature this year was a supper for parents and their chil-

Funds For Crippled Children Are Vitrally Needed

With the extension of the current Crippled Children's Easter Seal drive until the end of next month it is anticipated that the vitally needed funds to carry out next year's aid to the county's handicapped youngsters will be forthcoming from local residents. This hope was expressed this week by Judge Edmund Scott, who has acted as chairman for the present

dren at the Coyote Point campus. High seniors of the various high schools of the county had opportunity to look over the college and its many departments and to observe students carrying on class activities.

Letter To The Editor

Most of us are garden lovers and owners of property which we love to keep well groomed and beautiful. This entails much hard work, expense, and lots of time.

Children love to play, the smaller ones not having the understanding of the older ones, sometimes do damage unthinkingly to gardens, lawns and shrubbery, but when older children, especially between the ages of 13 and 16, wantonly destroy and trample down all the hard work that has been put in, then there is something wrong somewhere. Especially when one remonstrates with them and asks them to refrain, these teen-agers hand out a lot of rudeness and abuse, with the parent sometimes looking on.

Cannot something be done about this? Especially this ball-playing that goes on in the streets, which means trampling down the lawns, running after the ball. Also, when it gets dark, hiding behind bushes, etc., breaking down plants, tearing up the lawns, dirtying up white walls, etc.

It seems that the old-time respect for other people's property is non-existent and these teen-agers tell you that they are entitled to play in the streets and to do as they please, even stating that one's property is city property. What's wrong with Daly City children's training today, and also their parents?

Signed: A Reader.

Brisbane Man Is Sent To Prison

Roy H. McDaniel, 35, of Brisbane, who was convicted of kidnapping a South San Francisco policeman, assault with a deadly weapon and first degree robbery, was sentenced to San Quentin Monday, April 25, by two San Mateo Superior Court judges in two separate trials.

The first Naval Reserve air base at Squantum, Massachusetts, was capable of training only a dozen pilots a year 25 years ago.

San Mateo County Foreign War Veterans Present Award To William Kyne

Saturday evening, April 16, was a memorable night in the annals of the Veterans of Foreign Wars of San Mateo county.

William P. "Bill" Kyne, genial manager of Bay Meadows, was presented with the Citizenship Award and the Medal of Honor of the State Department of the Veterans of Foreign Wars for his work on behalf of the welfare of the veterans.

Sam Hermann, QM Adjutant of the State Department, in conferring this signal honor on Mr. Kyne, spoke in glowing terms of the aid and cooperation granted to the veterans by Kyne and his associates and especially praised them for their latest endeavor, that of donating the proceeds of the fights at National Hall in San Francisco to the Disabled Veterans cause and urged all to support this worthy cause.

In his response, Mr. Kyne outlined plans for future veterans hostels in Portland, San Francisco, San Mateo and Los Angeles where migrating veterans may stay free of charge. The cost of this project would approximate \$250,000 and would be contributed by the California Jockey Club of Bay Meadows and the newly proposed Puente track in southern California.

All military weather stations and airports are now reporting wind velocities in Navy knot system.

Serra Mothers Elect Officers

When Serra mothers held their meeting on Wednesday in the school auditorium Mrs. Herman Kruse was elected president along with four other officers for the coming year.

Officers who will be installed in May were presented to the membership by Mrs. Hubert Stronck, nominating committee chairman.

They are: Mrs. James Flanagan, vice president; Mrs. Vincent Walston, recording secretary; Mrs. Joseph Garibaldi, corresponding secretary; and Mrs. Frank Brinton, treasurer.

Mrs. John Loretz presided at the meeting. Plans are being completed for the school's annual Spring Festival to be held on Saturday, May 14, starting at 6 p.m.

The Festival will be held at the school, Alameda de las Pulgas and Crystal Springs road.

Tea was served following the meeting. Senior mothers were hostesses.

South City Man Asks \$10,000 For Loss of Finger

Asking \$10,000 for the loss of his small finger, Stanley Newcomb of South San Francisco recently filed suit against the Well Worth Department Store of 334 Grand avenue, South San Francisco. Thomas Bocci is the attorney for the defendant.

Newcomb claims he caught his little finger in a wire loop used for locking the door, as he pushed the door open. The weight of the door

as it swung back tore his little finger. Gangrene subsequently developed necessitating the amputation of the finger.

He is asking \$530.45 for the hospital expenses, plus \$10,000 for the loss of his finger and additional money for loss of earnings.

The first ship to fly the Stars and Stripes was Ranger, when she was commanded by the redoubtable John Paul Jones.

Veterans Weekly News Column

Veterans Administration advised veterans to give their National Life Insurance policies periodic "three-way checks" to make certain that their NSLI programs are consistent with their plans, obligations and incomes.

The "three-way check" should cover (1) beneficiaries, both principal and contingent; (2) manner in which proceeds are to be paid to beneficiaries; and (3) amount and type of NSLI in force.

Many veterans fail to name new beneficiaries when they marry or when a designated beneficiary dies, VA said.

If a veteran dies without naming a beneficiary, or if no designated beneficiary is alive at the time of his death, proceeds of the insurance go into his estate and are subject to inheritance taxes. Final distribution of the proceeds may not be that which the veteran would have desired.

Changes in family status or family income often require a veteran to change the method of NSLI settlement. He may elect to have his NSLI proceeds paid to his beneficiary in a lump sum or in equal monthly installments ranging from 36 to lifetime income.

The type and amount of NSLI owned by a veteran should be that which best fits his pocketbook and gives him the most coverage, VA said. NSLI policies include term, ordinary life, 30-payment life, 20-payment life, endowment at age 60, endowment at age 65, and 20-year endowment.

Question: I have already used about 25 days of my leave under the GI Bill. Will VA allow me additional leave at the end of my training period?

Answer: Under a recent change made by VA, you may apply for 15 days leave at the end of your enrollment, provided you have enough remaining entitlement for education or training to cover it.

Question: I am a World War I veteran and have a non-service connected disability. Am I entitled to a pension?

Answer: If you are permanently and totally disabled for reasons not traceable to your service in the armed forces you may be entitled to a pension. You must have been discharged under conditions other than dishonorable after a minimum of 90 days service, or if you served less than 90 days, you must have been discharged for disability incurred in line of duty. In either case, you are disqualified if your

income exceeds \$1,000 per year if single, or \$2,500 if you are married or have a minor child.

Question: I am an honorably

discharged World War II veteran. Can I get glasses through VA?

Answer: Yes, if they are determined necessary for a service-con-

Peninsula Police Officers Report "Grand Time"

The Peninsula Police Officers Association dinner-dance held last Tuesday evening at the Green Hills Country Club turned out to be a huge success, attended by 145 officers and their wives as guests. All present agreed it was one of the best held in recent years of this annual event.

Sgt. Jack Price of Burlingame, president, welcomed the guests and thanked all those who worked hard to put the party over.

Officer Edward Miallard of San Carlos, Association chaplain, gave the invocation. Chief Walter Wisnom of Hillsborough was master of ceremonies and introduced Al Eichler of Burlingame, who entertained with comedy songs, then Charles Brickley, Burlingame, with Irish songs and some magic acts. The well-known Duncan Sisters of Topsy and Eva fame had the audience rolling in the aisles with their comedy skit.

Each member and his wife was introduced by Chief Wisnom as were the retired members who were present.

Three officers were honored by their fellow members for acts of bravery in their work during the past year. Receiving the awards were: Sgt. James Bedford of San Bruno, first grade award; Sgt. Russell Cunningham, San Bruno, second grade award, and Lt. Lawrence Pickett, Millbrae, second grade award. Assistant District Attorney Louis De Matties made the presentation and in doing so explained that all three men acted with extreme heroism under fire and two of them, Bedford and Cunningham, captured their men after being severely wounded. Pickett was also a San Bruno officer at the time but has since moved to Millbrae.

ALWAYS CLEAN INTERIOR

The car's upholstery should be kept clean at all times, advises the National Automobile Club. It makes riding in the car a pleasanter experience, and adds immeasurably to its appearance. Neatsfoot oil is a proved dressing for leather. Heavy spots on cloth upholstery should be left to an expert.

SPORTSMEN'S
CALENDAR

With their fingers crossed, wardens of the Division of Fish and Game have made their annual advance prediction of conditions that will greet California anglers on the opening of the general trout season May 1.

Weather conditions during the last two weeks of April will have an important effect on early season prospects, the wardens report. They predict an average of "fair" fishing in the 47 counties open to trout angling during the month of May.

If no appreciable quantities of rain or snow appear, the general outlook is "good" to "excellent" in Butte, Del Norte, Los Angeles, Napa, Orange, Shasta, and Tehama counties; portions of Inyo, Mono, Riverside, San Bernardino, San Diego, and Siskiyou counties; and in Alameda, Arrowhead, Butte, Crow-

ley, Donner and Tahoe lakes.

Heavy snow or run-offs bring a prediction of "poor" to "fair" angling in Fresno, Glenn, Kern, and Trinity counties; and portions of Inyo, Mono, and Siskiyou counties.

Lack of water in streams and lakes means "poor" to "fair" trout fishing in Merced, San Luis Obispo, Santa Clara, and Ventura counties; and portions of Monterey and Riverside counties.

The May 1 opening applies to all counties except Mariposa, Tuolumne, Alpine, Calaveras, Amador, El Dorado, Placer, Nevada, Sierra, Plumas, and Lassen counties, where the season opens May 30. Alameda, Butte, Donner, and Tahoe lakes will be opened May 1, as will the Pit River and tributaries in Lassen county.

Bag and possession limit is 15 trout, salmon, or Rocky Mountain whitefish, or any combination of the three species. Weight limit is 10 pounds and one fish, except that a minimum of three fish may be possessed, regardless of weight.

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

BLACK BASS — Closed March 1 to April 30 in all counties north of Mono, Madera, Fresno, Kings, San Luis Obispo. No closed season elsewhere with local exceptions. Bag limit: five fish.

SUNFISH, CRAPPIE, SACRAMENTO PERCH, CALICO BASS — Closed March 1 to April 30 in all counties north of Mono, Madera, Fresno, Kings, San Luis Obispo. No closed season elsewhere with local exceptions. Bag limit: 25 fish of all species in aggregate.

CATFISH — No closed season. Bag limit: 15 pounds and one fish in the aggregate in the round. Night fishing permitted only in District 22, Siskiyou, Shasta, and Modoc counties.

OCEAN FISH — No closed season. Bag limit: 50 scallops, 15 rockfish, 2 marlin, 2 black sea bass, 2 broadbill swordfish, 10 of other species. 1949 angling license required.

TROUT — May 1 to October 31 in Tahoe, Butte, Alameda and Boca lakes, and in all counties except Mariposa, Tuolumne, Alpine, Calaveras, Amador, El Dorado, Placer, Nevada, Sierra, Plumas, and Lassen, where season opens May 30. Bag limit: 15 fish, or 10 pounds and one fish.

SHAD — No closed season. Bag limit between June 10 and March 14 — five. No limit at other times. Night fishing permitted.

FROGS — July 1 to November 20 south of summit of Tehachapi Mountain Range. June 1 to Novem-

Will Appeal

Sen. Glen L. Taylor (D) of Idaho, above, has asserted that he will take his widely-publicized case to the U. S. Supreme Court if necessary. The 1948 Progressive Party vice presidential candidate was fined \$50 and sentenced to 180 days in jail on disorderly conduct charges arising out of a brush with segregation laws last May in Birmingham, Ala.

SALE OF ANGLING LICENSES

Sale of angling licenses during 1948 netted the California Division of Fish and Game a total of \$2,924,523, reports the National Automobile Club. Since there has been an increase in the number of anglers, a boost in the resident license fee from two to three dollars, and ocean anglers have been licensed for the first time, this figure is \$1,138,629 higher than that for 1947.

ber 30 in District 22. March 1 to November 30 elsewhere. Bag limit: 24 per day, 48 per week. Size limit: none under four inches from tip of nose to crotch.

A new drive-in-and-mail window was opened up at San Francisco's Seventh and Stevenson Streets post office at 11 a.m. of Friday, April 22.

With the new arrangement it is

no longer necessary for motorists to find a parking place then walk to the post office to take care of their mailing. They can now drive right up, take care of their business, then drive away with the slightest possible inconvenience.

DEVILS PUNCH BOWL

The Devils Punch Bowl, a strange geologic formation located near Otter Rock along the Oregon coast highway, is reported to be one more manifestation of the sea's patient strength. Through the centuries surging waves first ate a long cave in the sandstone rocks on the shore. The cave soon grew into a large room, the roof of the room

eventually collapsed to expose a circular pit into which the angry seas still swirl and pitch through the tunnel-like opening.

One of Oregon's state parks, the area provides picnic facilities and observation platforms for visitors.

SILVER FALLS STATE PARK

Oregon's Silver Falls State Park, located near the capital city of Salem, is reported to boast ten

spectacular waterfalls all of which can be easily observed by visitors from a convenient hiking trail that runs along Silver Creek and passes through forests lush with ferns and flowering shrubbery.

Largest in Oregon's chain-of-state parks, Silver Falls offers no overnight camping or lodging facilities but does offer a lodge, snack shop, many picnic tables, sheltered kitchens, and outdoor fireplaces.

HI-LITES AT C.C.S.F.

By Roy Hurlbert

Shifting in retrograde, the California Junior College Student Government in its regular spring meeting held at Santa Rosa early this month, selected City College as the site for its autumn sessions.

Co-directors Flossita Badger and Lloyd Sisler have started the ball rolling in preparing for the college's approaching opera production — Naughty Marietta — scheduled the first week in June. Double casting of roles will again be the custom with Bob Sherratt and Harry Williams alternating in the male lead as Captain Dick, while Joan Welton and Luba Schubert are the leading ladies as Marietta.

Archibald J. Cloud, venerable executive of the hilltop mansion will officially retire after a memorable career in the educational ranks with the conclusion of this semester. It's been a long haul for the well admired thin man who continues to go about his tasks briskly though crowding the seventieth milestone of life. Archie was graduated from California and thence he attended St. Mary's where he acquired another degree. With some forty years behind him in the San Francisco school system beginning with teaching English at Lowell High to his appointment as chief administrator when the college was inaugurated in '35, the good doctor has ample cause to call it a day. Wrote a few books too, did Archie, and as for versatility, we have it on good authority that in his undergrad days, the lanky gentleman was a Jim Dandy as a yell leader. Archie's a grand guy, and he always has time for a

friendly chat with whomever happens his way. Possible successors are as yet to be mentioned.

ATHLETIC DOINGS

Continuing their bid for the NJCC pennant, "Manager" Fischer's Rams face Hartnell in a doubleheader Saturday at Big Red. After a two-week sojourn from the flag chase, the locals are ready for the stretch drive which might find them walking off with the title. During the relapse, they whiled away their time ignobly with three "don't matter" tilts.

Five of Roy Diederichsen's boxers began their assault for National junior college laurels yesterday in Pasadena in the three-day elimination championships. Lenny Garcia, Jerry Stern, Roy Damas, Dean Bender, and Frank Suega square off with battlers from all parts of the nation as the campus eagerly awaits the verdict of their efforts. Modesto nabbed the southern division's sectional cinderfest in Salinas last Saturday, rolling up 54 points in a seven-team field. Stockton placed with 44 digits, and San Mateo got up for third with 28½. Grover Klemmer's outfit finished with 24, ahead of Menlo, 7½, Monterey, 5, and Hartnell, 2.

ODDS AND ENDS

Beta Tau was awarded \$20 for being the first of the frat houses to post 100% student body membership.

Ram Pages, the college's new yearbook, and the Forum, literary publication, will be offered on sale shortly. The latter book which consists of varied writings and artistic contributions goes on sale in limited quantity on May 16 at 40 cents a throw. The annual can be had for two and a half, accompanied by a ticket of priority.

Dale "Happy" Butterfield has issued the call to arms to all prospects for Sophomore King and Queen. The lucky pair who survive the balloting will be feted on May 11-12 in the customary fashion shown the handsomest of the sexes out at the Ocean and Phelan village.

OIL CONSUMPTION

Hot weather and high speed, combined with worn pistons, rings and cylinder walls, may cause your car's oil consumption to increase at a rapid rate, according to the California State Automobile Association.

Move To New Home On Irvington Street

It's a new home for Mr. and Mrs. A. L. Nenstiel and son Marvin, formerly of 207a Irvington street. The Nenstiels moved to their new home on 228 Hillcrest boulevard two weeks ago.

CHECK YOUR LIGHTS

Motorists who drive nights should check their lights, advises the National Automobile Club. When the sun has gone down it is up to the motorist to make sure that he can see and be seen.

Best Teacher

Phyllis Haag, 38, a teacher of English in Washington's Burdick Vocational High School, received a \$2500 award for being selected as the nation's best teacher of 1949. The winning letter nominating Miss Haag was submitted by a 16-year-old student who was dissuaded from leaving school three years ago by the teacher.

WAIT IN SAFETY

Curb your impatience, literally, by waiting on the curb or sidewalk for a traffic signal to change, advises the California State Automobile Association, which points out that standing in the traffic lane in the path of turning or oncoming cars is a dangerous practice.

Activities Of Women of Moose

Mesdames Clare Keney, Irma Foss, Vivian Lasko and Elsie Klingler will be hostesses at the sewing meeting of the San Francisco Chapter No. 739, Women of the Moose, at noon May 4. Officers will be nominated at the regular meeting which will be held at 8 p.m. in the Moose hall. The executive board will meet May 11 at the home of Mrs. Clotilda Guerezzi, chaplain.

CLEANING THAT CLEANS

It is a commendable habit to clean the engine externally for it often leads to the discovery of troubles that are in the making, and if carefully done it can be a splendid preventive of fire, advises the National Automobile Club. Using an oily rag will assure a spotless looking engine for a short time, but unless all the oil is wiped off it makes a fine dust collector later.

The Allies had Dutch snorkels during the war, but did not use them as the Nazis did late in the war. It was not needed then, but is now the "new look" for U. S. Navy submarines.
